

VISTA D'ORO
BY SAHINOGLU

DOOR HANDLES
DOOR AND APPLIANCE PULLS

Founded in 1967 and based in Istanbul, Turkey, Vista D'oro has been at the forefront of manufacturing exceptional brass door handles, door pulls, appliance pulls and door accessories for over half a century. Renowned for our dedication to quality and innovation, we offer an extensive collection of products that seamlessly blend classical elegance, modern minimalism, and avant-garde designs. Many of our patterned pieces are meticulously handcrafted, showcasing the artistry and expertise of our skilled craftsmen. To elevate our designs further, we incorporate premium materials such as real crystals and Swarovski elements, ensuring a touch of luxury and sophistication in every detail.

As the manufacturer of all our products, we also specialize in bespoke, tailored, and customized creations, offering unique solutions to meet the specific requirements of each project. Trusted by the most prestigious projects worldwide, our products adorn palaces, 7-star hotels, fine dining restaurants, and exclusive residential developments. Exporting to numerous countries across the globe, we proudly bring our craftsmanship to international markets.

With over 20 finishing options, a minimum 5-year warranty, and the ability to customize designs to meet specific project needs, we aim to exceed expectations in both quality and aesthetic appeal. At Vista D'oro, we are committed to transforming spaces with timeless, innovative, and luxurious brass creations.
